

Partners

Purpose:

The purpose of this section is to identify all of the partners (agencies, organizations and institutions) involved in the planning and preparation of this plan.

Questions to Answer:

When writing this section, answer the following questions:

- Who attended meetings, provided expertise, or participated in the development or implementation of this plan?
-

Example:

This plan was developed using a collaborative approach to conservation planning. The partners involved in this planning include:

- The Nature Conservancy – Wisconsin Chapter
- Wisconsin Department of Natural Resources – Bureau of Endangered Resources
- Bay-Lake Regional Planning Commission
- U.S. Fish & Wildlife Service – Private Lands
- Brown County Planning Commission
- Northeast Wisconsin Land Trust
- UW-Extension Basin Educators
- Gathering Waters Conservancy
