

2013 annual report

July 1, 2012 – June 30, 2013

From the President

Because of you...

Reflecting on Gathering Waters Conservancy's 2013 Fiscal Year, I am touched by all the ways that **you**, our supporters, are enriching the lives of countless Wisconsinites—including future generations. This awareness fills me with an incredible sense of gratitude; thank you.

Rita Hayen
President

Because of your support over the last year alone:

-We fought successfully to maintain Knowles-Nelson Stewardship Program funding at \$12 million annually available for land trusts to protect the special places that make Wisconsin such a wonderful place to live, work, and play – for everyone. Protecting these special places supports tourism and quality of life in our communities, beneficial to business and job growth.

-Over 700 staff and volunteers in the land trust community received education through training, workshops, mentoring and advising. These staff and volunteers do the on-the-ground, daily work to ensure the protection of our trails, forests, scenic vistas, family farms, and urban green spaces.

-Together, we increased awareness and understanding of the value land trusts bring to their local communities, playing a key role in quality of life and the economy of local communities. Understanding that land trusts protect values we all cherish is important to building support for their work, and **enlivening the community of people whose lives have been touched by the magic of the outdoors.**

These are examples of the value you bring to our mission through your continued support and are a direct result of your vision, dedication, and generosity. Together, we're helping to protect the places that make Wisconsin special. Again, thank you.

Rita Hayen
President

Gathering Waters Conservancy extends our deepest thanks to everyone that made a contribution in our 2013 fiscal year. You are our inspiration and the driving force that makes our work possible. Together, we're protecting Wisconsin's special places for future generations.

Please know that every gift you send is valued and directly benefits our work, so we've worked hard to ensure the accuracy of this list of FY2013 donors (July 1, 2012–June 30, 2013).

Thanks to your support we connected thousands of people across Wisconsin with the magic of the outdoors and the good work of their local land trust, like the Driftless Area Land Conservancy, seen here with their Driftless Explorers Club.
